Note by the Under-Secretary

The duties of this temple are united with Gopo
ashram and the Patri Village of Chinna Venna
Gollapalli for the benefit of the institution The Ad
Comr in one of his letters has stated that this is a meri-
torious and deserving of encouragement. There can
be no doubt about this; but in practice the other
duties of Govt officers with which is the encouragement
merely

The income of the village, though it was under Govt
management in accordance with Govt Order
No. 266-7 / Mun F 20-93 dt 10th September 1893 was being credited to the
Govt's Account and drawn upon by the Dharma-
kartha Executive for necessary purposes. The
procedure was stopped & and the funds were hence
credited to the Temple. If this course is adopted
right; but in practice the Dharmakartha cannot
have no money in hand - ~~This defect could be remedied~~

This defect could be remedied by fixing a fixed
yearly expenditure and an allowance to enforce stop-
ment and ~~by~~ a fixed on this behalf
by the Asst Collr -

The Ad Comr has submitted a detailed yearly expenditure
for Rs. 315 a year - the estimated annual income
at Rs. 491 of which Rs. 128 is to be paid to the Govt
and exp. This estimate has not been accepted by Com-

Upon enquiries I find that this is stated not the reason
must be to be remitted. For this reason, though I
consider it due to the wishes of the devotees, I have
to suggest that the charges for Rathotsavam should
be Rs. 100/a g for some time to come.

I do not find any provision for daily pooja and
Deeparadhanai - I believe the Archaka gets
at Rs. 4 & Rs. 2-14 a month and Rs. 52 a year from
the main income of the temple is to meet these
charges.

There are three matters to be disposed of in regard
to this Temple -

(a) Orders has for the car festival of 1905 were
were communicated - The former has entered into
the records that a free for actual Expenditure
should be granted The latter sanctioned
for a ~~sum~~ another sum.

The devotees pray that the actual Expenses should
be paid The matter is still under correspondence
between the District and Taluk office. I shall
if inspect the Village at the earliest opportunity
and also fix and the State of things.

(b) The tank has to be repaired ~~The~~ It is
~~Vaikunta~~ It is useful both to this Village and
to the Village of Kumbakonam The
estimate has been sent to the Executive Engineer for
Repairing - The Estimate vide this report No. 141 dated 30.1.10.

Says that towards the cost of repairs this Village will have to contribute about Rs. 686.

(c). Rs. 156 are required for purchasing clothes for the cart. There is now a balance of Rs. 1152-6-5 at the credit of the District and among Rs 1000 will remain for the cost of repairs, and of previous years' contributions after the estimate for clothes is sanctioned. This might be sanctioned

(d). It is said that Khalsa has been misused and that it should be remitted - On this matter reference is invited to my note on the linked file submitted

General and Revenue Departments, Bangalore.

Sir, Mugtai Branch.

With reference to Government Order No.5600-1 dated the 29th May 1907, passing orders in re the affairs of the Sri Avimukteswaraswamy Temple at Hoskote. I have the honor to state as follows :-

1. (Para 5 of the Government Order):- The rent that fell in arrears on the two lands referred to therein amounted to Rs.41-8-0 and both the lands were resumed to the temple, of these one has since been given out for cultivation and the assessment goes to the temple funds.

2. (Para 7 of the Government Order) :- An estimate for Rs.1,420/- for the restoration of the tank received from the Amildar has been sent to the Executive Engineer for scrutiny and sending up a fresh estimate, the one received from the Taluk not being properly prepared.

3. (Para 8) :- A separate reference has been made regarding the recovery of the kalsat on the Jodi Village (Vide this Office No.M.S.87. of this date.)

4. (Para 9) :- In the matter of meeting the sum of Rs. 150/ required for the purchase of cloths for the decoration of the Car during Rathotsavam, it is reported that there was only a sum of Rs.148-12-1 at the credit of the temple, when the above estimate was submitted and that now there is a sum of Rs.1,152-0-5 at the credit of the Institution. The cost of the cloths may therefore be met out of this amount.

5. (Para 10) :- That for the amount of Rs.315/- required for the recurring annual expenditure under the under--mentioned items, the Sub-Division Officer reports that the annual income from the village is expected to be Rs.491/- from the year Kilaka and that after paying therefrom the Jodi of Rs. 127-9-5 due to Government on the village, a sum of Rs.363/- will be available every year to meet the expenditure (viz Rs.315/-) above referred to.

1.The celebration of Rathotsavam	Rs.150/-
2.Pay of Archak @ Rs.4/- per month.	48/-
3.Pay of Bhajanthri @ Rs.2/- per month.	24/-

6. In the above circumstances and in consideration of the fact that the devotees who subscribed towards the purchase of the Jodi Village for the temple say that they find it difficult to reduce the already limited scale of expenditure fixed by them, I request that you will be so good as to obtain the sanction of Government to incur an annual expenditure of Rs.315/- out of the savings of the temple funds. The Comptroller may be kindly --- instructed to authorise the Amildar to draw on Monthly Establish--ment Bills and disburse the salary of the temple servants which is a fixed scale.

Govt Bro no. 5600-1 mwz F 41-94, dated 29th May 1907, passing orders regarding the affairs of the Sri Avimukteswara swami temple at Hoskote, and requesting the submission of a scale of expre for the Instn.

ORDER ~~THEREON.—NO.~~ letter no 86, dated 26th February 1909, from the Deputy Commissioner, Bangalore Dt.

With the letter read above, the Deputy Commr. submits a scale of Expenditure amounting to Rs 3157.

a year as noted in the _ _ for the Sri Avimukteswaraswami temple at Hoskote. He further states that the annual income of the temple from its Jodi village of Chunnathimmanna Gollahalli is expected to be Rs 491/- from the year Keelaka, and that after paying the Jodi of Rs 127-9-5 due to Govt thereon, a sum of Rs 363 odd will be available to meet the proposed scale of expenditure of the Instn.

2. The Govt however observe that the records show that the tank of the village requires repairs and that till they are effected, half the assessment will have to be remitted which in turn will result in a smaller income to the temple. Moreover, funds will have to be found for the said repairs. The Govt are therefore pleased to direct that the charges for the Rathotsavam be fixed only at Rs 100/- for some time to come, instead of at Rs 150/- as proposed by the Deputy Commissioner. Now that it is reported that a sum of Rs 1,152-6-5 is available at the credit of the temple, the Estimate is sanctioned, the charge being met from the above mentioned source
